## SUPERFRUIT FLAVORS

Flavor Dynamics, Inc. presents Superfruit Flavors, a collection of sweet, real-world fruit flavors designed with the growing popularity of these exotic, nutrient-dense foods in mind. This stylish line of liquid products has been specially formulated for fresh and frozen applications that target consumers who want the best of both worlds - nutrition and flavor.

**Natural Acai Flavor** - This tropical berry features notes of sweet cherry with overtones of blueberry.

**Natural Feijoa Flavor** - A complex fruit flavor that imparts a mix of pineapple, guava and strawberry.

**Natural Yumberry Flavor** - A Chinese berry with nuances of wild cherry topped with lemon and tart green apple.

**Natural Jostaberry Flavor** - This hybridized fruit mixes bold tones of black currant with gooseberry.

**Natural Cherimoya Flavor** - Mark Twain declared the cherimoya, with its mix of banana, pineapple, raspberry and strawberry notes, to be "the most delicious fruit known to men."

**Natural Babaco Flavor** - A sweet fruit whose flavor is reminiscent of pineapple, kiwi, strawberry and papaya with a slight hint of lemon.

**Natural Dragon Fruit Flavor** - Pitaya, commonly known as dragon fruit, features notes of prickly pear and red currant complemented by overtones of raspberry.

**Natural Jackfruit Flavor** - This fibrous Asian fruit imparts a mix of mango, raspberry and maracuja with a natural hint of wild honey.

**Natural Mangosteen Flavor** - A sweet and tangy fruit featuring a combination of flavors similar to peaches, raspberry and pineapple.

**Natural Pitahaya Flavor** - Also known as "yellow dragon fruit," pitahaya imparts refreshing notes of prickly pear, cantaloupe and maracuja.

**Natural Goji Berry Flavor** - The small Goji Berry - also called the Wolfberry - features tart notes, not unlike those imparted by cranberries, combined with the flavor of sun dried gooseberries.

**Natural Carambola Flavor** - A sweet but mild fruit, known to many as Starfruit, whose taste is reminiscent of plums, pineapples, and lemon.
